Accessing CAMP

- <https://camp.southerncompany.com> is the ONLY website you should use to access CAMP

Situation – Organization is incorrect

- ACD needs to be in Coordinator Rejected status
 - If the ACD is in Status Ready or Work in Progress, Reject the ACD with reason “Incorrect Organization Entered” and comment “change to xxx” where xxx is the org you need to change to.
 - If ACD is beyond Coordinator Approved, ask your auditor to reject it at the auditor level so you can then reject it as coordinator/vendor

Changing the Organization

Once it is in the status “Coordinator Rejected”, you go to the Organization and click the X that will appear in the box as you mouse over it to remove it (see screenshot). After you have done that you can enter the one needed.

You then **MUST** click SAVE at the bottom for it to take before re-approving.

You will NOT do this in CATEE.
